## Newsletter, December 2017

To all our customers,

As every year I would like to say a few words at the end of the year.

In 2017, we have changed our website and we are now operating on a better more customer friendly platform.

The Website order placement is a lot easier and really helps us to process your orders more efficiently so we really encourage you to REGISTER for a Trade account. This way you can also keep an eye on our new products and any changes.

I would like to Thank you for your patience during the transition period and we really hope that you find our website to be more helpful.

Moving to 2018, I would like to Highlight that as per our T&C we will only be dispatching goods to our "Buyers" addresses.

**FROM 1 JANUARY 2018, WE WILL NOT BE ABLE TO SEND GOODS TO OUR "BUYERS" CUSTOMERS PRIVATE ADDRESSES.**

We look forward to 2018 and future Business together.

Finally, I would like to wish everyone a Happy, Healthy and Prosperous New Year.
